improper performance of this Agreement by Contractor or its subcontractors, servants or employees.

This insurance will provide a defense and indemnify the City against any such claim, damage, loss, or expense that is attributable to bodily injury, sickness, disease, or death or to injury to or destruction of tangible property (other than the work itself) including the loss of use, which arises out of the Contractor's operations under this Agreement. This insurance shall apply regardless of whether the operations, actions, derelictions or failures to act from which the claim arises, are attributable to the Contractor, any of its Contractors, officers, agents, subcontractors, employees, anyone directly or indirectly employed by any of them including anyone for whose acts of the aforementioned may be liable by operation of statute, government regulation, or applicable case law and the City, unless, caused by the sole negligence of the City.

In the event that the insurance company (ies) issuing the policy (ies) required by this section deny coverage to the City, the Contractor will defend and indemnify the City at the Contractor's expense.

Minimum of Liability:

them or by anyone for whose acts any of the aforementioned may be liable by operations of statute, government regulation or applicable case law.

If the Contractor's policy limits are greater than the minimum limits noted above, the minimum limits required are automatically adjusted to those greater limits.

Prior to commencement of work, Contractor shall submit a Certificate of Insurance in favor of the City and as an Additional Insured Endorsement (in a form acceptable to the City) as required hereunder.

No Limitation on Liability

In any and all claims against the Additional Insureds by any employee of the Contractor, anyone directly or indirectly employed by the Contractor or anyone for whose acts the Contractor may be liable, the indemnification obligation shall not be limited by any limitation on the amount or type of damage, compensation or benefits payable by or for the Contractor under Workers' Compensation acts, disability benefit acts or other employee benefit acts.

Failure to Obtain/Maintain, Cancellation and Renewal

The Contractor shall maintain in effect all insurance coverages required under this Agreement at the Contractor's sole expense and with insurance companies acceptable to the City.
