Re: **Air Space Restrictions during Practice/Air Show Days**

An Air Show safety issue for all concerned that must be followed is the restriction of any drones, parasailing, kite flying, or any other device within a 10-mile radius of the Air Show space on the practice days Monday, August 22, 2022 and Tuesday, August 23, 2022 and the day of the Air Show, Wednesday, August 24, 2022.

Any drones or other devices used in violation of this restriction will be confiscated and their operators arrested.

The restriction has been the practice for the past 19 years and continues with the compliance of all municipalities from Longport to Brigantine.

The exact restricted area runs from 23rd Street in Longport to South Roosevelt Boulevard in Brigantine.

Monday, August 22, 2022 from 4:00 p.m. to 6:30 p.m.
