**SECTION FIFTEEN

The CONTRACTOR shall indemnify, defend and hold harmless the CITY from and against any claim (including any claim brought by employees of Contractor), liability, damage or expense (including attorneys' fees) that City may incur relating to, arising out of or existing by reason of (i) Contractor's performance of this Agreement or the conditions created thereby (including use, misuse or failure of any equipment used by Contractor or its subcontractors, servants or employees) or (ii) Contractor's breach of this Agreement or the inadequate or improper performance of this Agreement by Contractor or its subcontractors, servants or employees.

**SECTION SIXTEEN
INSURANCE**

Before commencing work, and as a condition precedent for payment, the Contractor shall purchase and maintain insurance, in conformance with the provisions contained in this Agreement. This insurance will provide a defense and indemnify the City against any such claim, damage, loss or expense that is attributable to bodily injury, sickness, disease or death or to injury to or destruction of tangible property (other than the work itself) including the loss of use, which arises out of the Contractor's operations under this Agreement. This insurance shall apply regardless of whether the operations, actions, derelictions or failures to act from which the claim arises, are attributable to the Contractor, any of its Contractors, officers, agents, subcontractors, employees, anyone directly or indirectly employed by any of them including anyone for whose acts of the aforementioned may be liable by operation of statute, government regulation, or applicable case law and the City, unless, caused by the sole negligence of the City.

Proof of this insurance shall be provided to the City before the work commences as set forth below. In no event shall the failure to provide this proof, prior to the commencement of work, be deemed a waiver by the City of the Contractor's insurance obligations set forth herein.

In the event that the insurance company (ies) issuing the policy (ies) required by this section deny coverage to the City, the Contractor will defend and indemnify the City at the Contractor's expense.

Minimum of Liability:

The Contractor must obtain the required insurance with the carrier rated A-VII or better by A. M. Best. The Contractor and all subcontractors and vendors retained by the Contractor shall maintain at least the limits of liability as set forth below:

- \$ 2,000,000.00 General Aggregate

Builders Risk

The Contractor must obtain the required insurance with the carrier rated A-VII or better by A. M. Best. The Contractor shall provide such coverage as to protect the City's insurable interest in materials, fixtures and equipment being used in the construction or renovation of a building or structure. Coverage must apply to property of every kind or description intended to become a permanent part of the project including materials, supplies, fixtures, machinery, foundations, sidewalks and pavements.

Comprehensive Automobile Liability Insurance

\$ 1,000,000.00 Combined Single Limit Bodily Injury and Property Damage. Coverage must include all owned, non-owned and hired vehicles used by the Contractor.

Workers' Compensation and Employers' Liability Insurance

\$ 500,000.00 Each Accident

Additional Insured Status and Certificate of Insurance

The City, along with their respective elected or appointed officials, officers, agents and employees, shall be named as Additional Insureds for Operations and Products/Completed Operations on the Contractor's Commercial general Liability Policy which must be primary and noncontributory with respect to the Additional Insureds.

It is expressly understood by the parties to this Agreement that it is the intent of the parties

that any insurance obtained by the City is deemed excess, noncontributory and not co-primary in relation to the coverage (s) procured by the Contractor, any of its Contractor's, officers, agents, subcontractors, employees or anyone directly or indirectly employed by any of them or by anyone for whose acts any of the aforementioned may be liable by operations of statute, government regulation or applicable case law.

A Waiver of Subrogation clause shall be added to the General Liability and Automobile policies in favor of the City, and this clause shall apply to the City's elected or appointed officials, officers, agents, and employees. It should also apply to the Contractor's Worker's Compensation policy if allowed by state law. If the Contractor's policy limits are greater than the minimum limits noted above, the minimum limits required are automatically adjusted to those greater limits.

Prior to commencement of work, Contractor shall submit a Certificate of Insurance in favor of the City and as an Additional Insured Endorsement (in a form acceptable to the City) as required hereunder.

No Limitation on Liability

In any and all claims against the Additional Insureds by any employee of the Contractor, anyone directly or indirectly employed by the Contractor or anyone for whose acts the Contractor may be liable, the indemnification obligation shall not be limited by any limitation on the amount or type of damage, compensation or benefits payable by or for the Contractor under Workers' Compensation acts, disability benefit acts or other employee benefit acts.

Failure to Obtain/Maintain, Cancellation and Renewal

The Contractor shall maintain in effect all insurance coverages required under this Agreement at the Contractor's sole expense and with insurance companies acceptable to the City. In the event the Contractor fails to obtain or maintain any insurance coverage required under this Agreement, the City may, at its sole discretion, purchase such coverage as desired for the City's benefit and charge the expense to the Contractor, or, in the alternative, terminate this Agreement.

In the event the coverage is cancelled or non-renewed, the Contractor will provide 21 days advance notice of the cancellation or non-renewal.

It is understood by and between the parties hereto that only manufactured products of the United States, wherever available, shall be used in connection with this Agreement, pursuant to R.S. 40A:11-18.

**SECTION EIGHTEEN
WAIVER AND RENUNCIATION**

No waiver or renunciation by either party to this Agreement with respect to any breach or default or of any right or remedy consequent thereon shall be deemed to constitute a continuing waiver or renunciation or a waiver or renunciation of any other breach or default or any other right or remedy consequent thereon unless such waiver or renunciation be expressed in writing, signed by the party making such waiver or renunciation and specifying the nature and extent of such waiver or renunciation.

**SECTION NINETEEN
BINDING**

This Agreement shall be binding upon the heirs, assigns, and/or successors in right, title or interest of the parties to the Agreement.

EXHIBIT A
MANDATORY EQUAL EMPLOYMENT OPPORTUNITY LANGUAGE
N.J.S.A. 10:5-31 et seq., N.J.A.C 17:27

CONSTRUCTION CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the applicable employment goal prescribed by N.J.A.C. 17:27-7.3; provided, however, that the Division may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Division is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Division, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the applicable employment goal established in accordance with N.J.A.C. 17:27-7.3.

The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three (3) business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as supplemented and amended from time to time and the Americans With Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to attempt to hire or schedule minority and women workers directly, consistent with the applicable employment goal. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority or women workers consistent with the applicable employment goal, the contractor or subcontractor agrees to be prepared to hire or schedule minority and women workers directly, consistent with the applicable employment goal, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines or is so notified by the Division that the union is not referring minority and women workers consistent with the applicable employment goal.
- (B) If hiring or scheduling of a workforce consistent with the employment goal has not or cannot be achieved for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions consistent with the applicable county employment goals:
- (1) To notify the public agency compliance officer, the Division, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3 of its workforce needs, and request referral of minority and women workers;
 - (2) To notify any minority and women workers who have listed with it as awaiting available vacancies;
 - (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;
 - (4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area until such time as the workforce is consistent with the employment goals;
 - (5) If it is necessary to lay off some of the workers in a given trade on the construction site to assure, consistent with the applicable State and Federal statutes and court decisions, that sufficient minority and women employees remain on the site consistent with the employment goal; and to employ any minority and women workers so laid off by

the contractor on any other construction site on which its workforce composition is not consistent with an employment goal established pursuant to rules implementing N.J.S.A. 10:5-31 et seq.; and

(6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor.

(i) If said individuals have never previously received any document or certification signifying a level of qualification lower than the required in order to perform the work of the construction trade, the contractor or subcontractor shall determine the qualifications of such individuals and if the contractor's or subcontractor's workforce in each construction trade is not consistent with the applicable employment goal, it shall hire or schedule those individuals who satisfy appropriate qualification standards. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Division. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements however, are limited by the provisions of (C) below.

(ii) If the contractor's or subcontractor's workforce is consistent with the applicable employment goal, the name of any interested women or minority individual shall be maintained on a waiting list for the first consideration, in the event the contractor's or subcontractor's workforce is no longer consistent with the applicable employment goal.

(iii) If, for some reason, said contractor or subcontractor determines that a minority individual or woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Division.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Division and submitted promptly to the Division upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees or trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or

subcontractor agrees that, in implementing the procedures of (B) above it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Division, an initial project workforce report (Form AA201) provided to the public agency by the Division for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7. The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Division and to the public agency compliance officer.

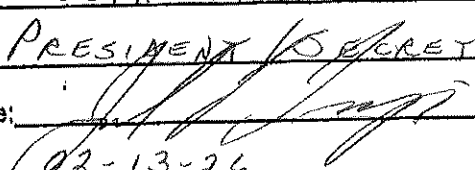

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

(D) The contractor and its subcontractors shall furnish such reports or other documents to the Division of Public Contracts Equal Employment Opportunity Compliance as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Public Contracts Equal Employment Opportunity compliance for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.

EMERGENCY DECLARATION AND CERTIFICATION

DATE: December 17, 2025
TO: Anthony Swan, Business Administrator
FROM: Crystal J. Lewis, Director of Public Works *COJ/ADP*
SUBJECT: Emergency Bulkhead Repairs – Maine Avenue – Adjacent to The Flagship Resort

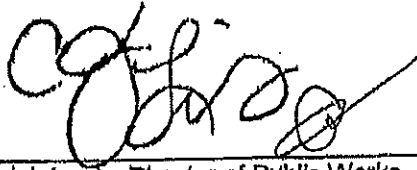

I hereby certify as follows:

1. I am a Certified Public Works Manger (CPWM) in the State of New Jersey and the Public Works Director for the City of Atlantic City.
2. A situation exists along the Maine Avenue adjacent to the Flagship Resort.
3. Upon inspection of the Maine Avenue, significant deterioration and structural failure have been identified in the bulkhead located adjacent to the Flagship Resort.
4. This has been deemed an emergency by the City Engineer Uzoma Ahlarakwe. The compromised condition of the bulkhead presents an immediate threat to public safety, including the risk of collapse, erosion, and further structural damage to the promenade and adjacent properties.
5. This stretch of bulkhead holds back the land in said areas, including pavement, curbing, sidewalks, gutters, and utilities. This location must be kept in structurally functioning condition. The current bulkhead is in poor condition and has reached its normal anticipated life expectancy.
6. Failure to immediately address the bulkhead deterioration could result in expanded damages, increased repair costs, interruption of public access, and potential liability exposure to the City.
7. A cost proposal has been received in the amount of \$107,800 for the emergency bulkhead repairs necessary to stabilize and restore the affected area.

8. This request is made pursuant to N.J.S.A. 40A:11-6 and regulations promulgated thereunder. I am satisfied that there is an emergency situation that affects public safety and is as described in N.J.S.A. 40A:11-6 and N.J.C.A. 5:34-6:1, et seq.

9. I certify that the foregoing is true and I understand that if any statement is willfully false, I am subject to punishment. Further, I certify that I have reviewed the laws and regulations cited above and the within request meets the requirements of those sections.
