Council Members JONES, SCHULTZ, SMALL & CALLAWAY Present the following Ordinance:

AN ORDINANCE TO AMEND THE ATLANTIC CITY CODE SECTION 222-26(G), REGULATING BOARDWALK PLACEMENT OF TABLES AND CHAIRS

WHEREAS, in order to augment the amenities available to both residents and tourists in the Resort, the City of Atlantic City provided a mechanism under Chapter 222-26 of the City Code for retail food establishments on the Boardwalk to allow seating and service to tables on the Boardwalk; and

WHEREAS, while the new service has been popular with the public and some merchants, it has, in some cases, disrupted orderly Boardwalk activity because of the location and number of tables; and

WHEREAS, in particular, the seating in the second ribbon of the Boardwalk has encroached significantly on the space available for pedestrian traffic; and

WHEREAS, by adjusting the permitted locations of the tables and chairs, the impact on pedestrian traffic and non-food establishments can be minimized and the food service amenity can remain available to the public; and

WHEREAS, the additional seating expands the area of public accommodation of adjacent food establishments and therefore, as a license condition, those establishments should assure that they have adequate restroom facilities to accommodate all patrons;

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Atlantic City that:

SECTION 1:

Section 222-26(C) of the Atlantic City Code is amended as follows [New language is shown in *italics*, deleted language is struck through]:

However, the foregoing subsection shall not prohibit a duly licensed retail food establishment with frontage on the north side of the Boardwalk from providing seating and/or tables located entirely within the 12 feet of the Boardwalk directly in front of the premises and provided that the Boardwalk is at least 60 feet in width (from the northerly edge to its southerly edge) for the full width of said retail food establishments frontage and where the Boardwalk is less than 60 feet in width but at least 40 feet in width, the seating and/or tables shall be restricted entirely within the eight feet of the Boardwalk in front of said premises. *The seating shall be permitted under the conditions outlined below from March 1st through November 1st.*

(1) Any seating and/or tables shall not impair the free and uninterrupted passage of persons, rolling chairs and/or trams along said Boardwalk

(2) Tables and chairs are permitted on the Boardwalk under the conditions expressed herein and only while the adjacent retail establishment is open for business and for one hour after the close of that business and one hour before opening of that business.

(3) The owner of any retail food establishment providing seating and/or tables on the Boardwalk pursuant to this section must maintain the first ribbon of the Boardwalk free and clear of all rubbish and litter. This duty is in addition to any and all other duties imposed on all retail food establishments by the Department of Health and/or any code enforcement agency having jurisdiction over such premises

(4) A sample of all proposed tables and chairs shall be submitted to the City Division of Planning prior to their placement on the Boardwalk. No table or chair set will be permitted without prior approval. In no event shall picnic style tables (rectangular table with bench seating) be permitted in the Boardwalk seating area.

(5) Privileges permitted under this section are specifically limited and may be suspended by the Mayor, the Chief of Police, the Chief Engineer of the Fire Department or the Director of Emergency Management in the event of a parade or a weather or other emergency with or without notice in the interests of public health and safety

(6) In addition of the penalty set forth at § 222-31 of the Code of the City of Atlantic City, upon a charge and finding of any violation of this section, the mercantile license of said retail food establishment and/or the privileges provided by this section may be *suspended or* revoked. The administrative hearing officer having jurisdiction over the suspension or revocation of a mercantile license for violations of this section shall be the Director of Neighborhood Services and/or his designee.

(7) The privileges provided under this section are not intended to provide any easement or other property interests but may be supplemented by separate license agreement approved by City Council

(8) Alcoholic beverages may be served and/or consumed at any seating and/or tables permitted under this section *in accordance with the further licensing provisions of § 222-26G below*

(9) Where the Boardwalk is less than 40 feet in width, the seating and/or tables contemplated under this article shall be prohibited

(10) All Boardwalk eateries that exercise the option provided by this section shall be required to hold harmless and indemnify the City of Atlantic City from and against any and all claims arising out of or in connection with such undertaking. Prior to the issuance of a license (or license renewal) permitting the table and chair placement, such eatery shall annually submit to the Atlantic City Director of Planning and Development proof of an insurance policy issued by an insurance company licensed to do business in the State of New Jersey insuring the Boardwalk eatery and the City of Atlantic City against all claims for damage to property or bodily injury, including death, which may rise from or in connection with Boardwalk seating and service. Such insurance shall name the City of Atlantic City as an additionally insured and shall provide that the policy shall not terminate or be cancelled prior to its normal expiration date without 30 days' advance written notice to the City. The minimum amounts of insurance to be maintained under such policy are a combined single limit policy of \$1,000,000

Section 222-26(D), including all subsections, of the Atlantic City Code is deleted (removing all provisions permitting tables in the second ribbon):

Section 222-26(F), including all subsections, of the Atlantic City Code is deleted (removing all provisions specific to Indiana Avenue to Martin Luther King Blvd)

The license agreement shall:

1. reference the requirements in the applicable section of this § 222-26 and include a description of the types of tables, chairs and other fixtures to be permitted in the licensed area and, notwithstanding the provisions of this section, the time period in which those times may be present and the manner in which they may be fixed on and to the Boardwalk;
2. include insurance and indemnification requirements at least as protective to the City as those enumerated in § 222-26C(13);
3. require that all alcoholic beverages be served in plastic cups or glassware bearing the name and logo of the licensee's establishment.
4. require annual review by the Director of Planning, or other Mayor designee, and the Mayor shall be authorized to execute any renewal on behalf of the City;
5. be revocable by the Mayor or Council upon 30 days' notice to the licensee or immediately upon the breach of the agreement by the licensee
6. require an annual fee to be paid to the City in an amount equal to \$50 per linear foot of Boardwalk frontage of the property licensed if the licensee holds an alcoholic beverage license or \$25 per linear foot of Boardwalk frontage of the property licensed if the licensee does not hold an alcoholic beverage license.
7. *require, as a condition of said license, that the Licensee provide, for its patrons, restroom facilities, accessible to persons with disabilities and compliant with the requirements of the Americans with Disabilities Act (ADA), upon or accessible from the premises to which the license is issued.*

Section 222-26(H), of the Atlantic City Code is deleted
