

# WHAT YOU CAN DO!

## PROPERLY DISPOSE OF YARD WASTE

- Compost, bag leaves and lawn clippings.
- Don't blow leaves or lawn clippings into the street.

## LOCAL BUSINESSES

- Perform necessary maintenance to ensure stormwater ponds and drainage control structures stay clear of litter and excessive sediment buildup.

## FERTILIZE EFFICIENTLY

- Always follow the manufacturer's application recommendations.

## PICK IT UP & PITCH IT

- Clean up dog waste: pet waste bags are available in most city parks and dispose of it properly.

## NO ILLEGAL DUMPING! IF YOU SEE IT REPORT IT!

- Do not dump chemicals or other waste materials into storm drains.
