Atlantic City Residents Can Now Request Cleanup Assistance from City for Properties and Neighborhoods

ATLANTIC CITY, N.J. (July 10, 2026) – The City of Atlantic City is making it easier for residents to keep their neighborhoods clean this summer through the Division of Reentry Services' Community Cleanup & Laborer Team, a free service that provides cleanup assistance for residential properties throughout the city. The initiative connects trained, safety-certified crew members with residents who need help maintaining their properties while also supporting the City of Atlantic City's ongoing efforts to improve quality of life, and create cleaner, safer communities.

Available services include:

- Lot and litter cleanup
- Overgrowth and brush removal
- Bulk debris hauling
- Setting trash cans curbside

Backed by the City of Atlantic City's Department of Public Works, the Community Cleanup & Laborer Team is community-driven that will typically respond to requests within 48 hours. The initiative is coordinated through the City's Division of Reentry Services.

Residents interested in requesting assistance can:

- Call (609) 343-2136 ext. 1073
- Message [@acreentryservices](https://www.instagram.com/acreentryservices) on Instagram
- Scan the QR code available on the program's promotional materials
