

Martin Luther King, Jr. 2024 March Sponsored by NAACP Atlantic City Branch

Dear Participants,

I trust this message finds you well. It is with great enthusiasm that I reach out to extend an invitation to you and your esteemed organization to participate in the upcoming NAACP Martin Luther King Jr. (MLK) March in Atlantic City. I am honored to serve as the chair of the MLK March committee, and we are excited to plan the largest march in the history of MLK Day celebrations in our city.

Event Schedule:

Date: January 15, 2024

Location: Dr. M L King Jr. School Complex, 17 Marmora Ave, Atlantic City, NJ

10:00 AM Lineup

10:30 AM: March begins promptly

11:00 AM: Arrival at the Civil Rights Garden for a brief program

Our aim is to create a momentous event that unites the diverse communities of Atlantic City. We are reaching out to churches, mosques, synagogues, civic associations, community groups, sororities, fraternities, lodges, and other organizations to not only participate in the march but to march proudly as representatives of your respective groups. We encourage each group to carry its own banner with the name of your organization and to march behind it.

To add a competitive and rewarding spirit to the event, we will be awarding a plaque to the group with the most participants. This plaque will be presented annually to the organization that demonstrates the highest level of commitment and involvement in the MLK March. We believe this initiative will foster a sense of community and promote continued participation in the years to come.

We kindly request that churches, mosques, synagogues, civic associations, community groups, sororities, fraternities, lodges, and other organizations register as soon as possible to secure your place in the lineup.
