ORDINANCE AUTHORIZING AN INCREASE IN POLICE DETAIL RATE TO $85.00 PER HOUR FOR REGULAR DETAIL OFFICERS

WHEREAS, pursuant to the Attorney General of the State of New Jersey formal opinion No. 23-1977 which states that the members of a municipal police department may, during their off-duty hours, engage in police related activities for private persons and entities; and

WHEREAS, pursuant to communications from the General Counsel of the Casino Control Commission, where he clearly states that licensure of police officers is not required by the Casino Control Act, and in accordance with N.J.S.A. 5:12-1, et seq. Moreover, no prior approval is required from the Casino Control Commission for police officers to engage in the performance of Crowd and Traffic Control duties; and

WHEREAS, by Resolution No. 808 of 1990, authorization was given to members of the municipal police department to engage in police related activities for private persons, entities and casinos ("Requesting Party"), during their off-duty hours and to be paid at an hourly rate consistent with the current PBA contracts; and

WHEREAS, Resolution No. 510 of 1999 was enacted on July 7, 1999, setting forth certain procedures for collecting payment for private police related work; and

WHEREAS, by Resolution No. 510 it was resolved that the compensation payable to the City per each officer engage pursuant to said agreement shall be according to the following schedule:

Effective 6/7/99 $32.23 per hour
Effective 1/1/00 $33.38 per hour
Effective 1/1/01 $34.55 per hour
Effective 1/1/02 $35.72 per hour

WHEREAS, by Resolution No. 510 of 1999, it was resolved that agreements for private police engagements shall be executed with detail arrangements made by the Police Special Employment Services, the City Comptroller and City Solicitor; and

WHEREAS, by Resolution No. 625 of 2006 the rate was adjusted for the first time since 2002 as the rate made it difficult to fill detail assignments upon which many of our local businesses depend and the PBA having consented to an adjustment of the rate for regular detail officers;

WHEREAS, this rate has not been adjusted since 2021 and the present rate of $65.00 per hour is well below the rate of the surrounding area police departments, the PBA has negotiated a rate increase for police details. NOW, THEREFORE, BE IT ORDAINED that all procedures relating to detail police work enumerated in Resolution No. 860 of 2001 and Resolution No. 625 of 2006 shall remain effective except that the rates of pay for any regular detail officer, regardless of rank and seniority, shall be **EIGHTY-FIVE DOLLARS $85.00 per hour.** This shall not change the rates set forth in Resolution 605 of 2004 relating to any specialized detail officer, i.e. bomb squad, K-9, tactical team or accident bureau officer, requested by a vendor and engaged for detail work, who shall be billed at a rate equal to the particular officer's overtime rate plus the City's 35% administrative fee. The detail rate, together with the City's 35% administrative fee, shall be calculated by the City and communicated to the party requesting the detail in advance of the assignment of the officer.

BE IT FURTHER ORDAINED that the Office of Revenue and Finance, City Solicitor, and the Chief of Police shall coordinate and implement all administrative procedures necessary to effectuate the purposes of the within ordinance and that the Director of Revenue and Finance, as the Mayor's designee, is authorized to enter into all contracts and agreements for police detail services as authorized by this ordinance so long as each contract or agreement has been approved by the City Solicitor; and

Council Members ALL COUNCIL Present the following Ordinance:

ORDINANCE APPROVING THE HISTORIC LANDMARK DESIGNATION OF CLARIDGE HOTEL, 120 S INDIANA AVENUE (BLOCK 46, LOT 4)

WHEREAS, the Atlantic City Historic Presentation Commission has received and reviewed the report titled "Atlantic City Local Historic Landmark Nomination for the Claridge Hotel dated October 20, 2025; and

WHEREAS, at a properly noticed Public Hearing on November 12, 2025, the Historic Preservation Commission reviewed the report, heard from the Owner and the public, and found that the report includes the following information required for designation: photographs of the proposed landmark; a copy of the municipal tax map detailing its location; and a physical description of the proposed landmark. Furthermore, the report demonstrates that the proposed landmark has significance meeting the Section 148B criteria of the Atlantic City's Historic Preservation Ordinance, Chapter 148 *et seq.*; and

WHEREAS, the Claridge Hotel, located at 120 S. Indiana Avenue, Atlantic City (Block 46, Lot 4) was constructed in 1929-1930 by Philadelphia-based developer Charles McIlvain & Company according to plans by Philadelphia architect Charles H. Roberts (often working prior to the Claridge project as the partnership of McIlvain & Roberts). The 24-story, brick and terra cotta-clad building was designed in a Georgian Revival style with common stylistic elements like the symmetrical plan and restrained decorative scheme of belt-courses and Neoclassical features. The hotel is significant as an early skyscraper in southern New Jersey, noted as the only "New York"-style skyscraper in the region until the construction of the casino-hotels in the late-1970s. Per Atlantic City ordinance, the Claridge Hotel is eligible for designation as a Historic Landmark under National Register Criterion C as a representative example of a high-rise luxury hotel constructed during the city's heyday as a resort destination; and

WHEREAS, earlier survey records of the New Jersey State Historic Preservation Office (NJHPO) include the Claridge Hotel as "the most visually prominent of Atlantic City's historic early 20th century swank hotels" that is accordingly one of "the most important hotels in this world famous resort." The building is suggested to be "an important example when studying the evolution of skyscraper design" for its use of the Georgian Revival style (popular in Atlantic City and Philadelphia) rather than the predominating Art Deco style (popular in New York); and

WHEREAS, following its construction in 1929, the Claridge Hotel has undergone several campaigns of additions and alterations, including the addition of a 2-story conference center in 1946, the addition of a 22-story tower in 1979, the construction of a nearby parking deck and connecting bridges in 1990, and the construction of additional bridge volumes adjoining Bally's Hotel and Casino c.2000. While these campaigns included substantial alterations to the hotel interiors, the exterior of the historic Claridge Hotel tower remains intact. Accordingly, in response to a 2022 survey that includes the Claridge Hotel, NJHPO opined that the building retains "sufficient integrity" to convey its historic significance and is therefore eligible for the New Jersey and National Registers of Historic Places under Criterion C as "a good example of a rare building type, an early twentieth-century, high-rise hotel on the Jersey Shore."

WHEREAS, the Atlantic City Historic Preservation Commission recommended and the Planning Board has supported that the Claridge Hotel be designated a Historic Landmark due to its " Character, interest, or value as part of the development, heritage or cultural characteristics of the City..., association with events that have made a significant contribution to the broad patterns of our history, and association with the lives of persons significant in our past" as specified in Atlantic City Ordinance 148.

WHEREAS, in accordance with Atlantic City Ordinance 148 City Council may designate properties as Historic Landmarks.

NOW THEREFORE BE IT RESOLVED that the City Council of the City of Atlantic City designates the Claridge Hotel, located at 120 S Indiana Avenue (Block 46, Lot 4), as a Historic Landmark.

BE IT FURTHER RESOLVED nothing herein shall prevent, if applicable, the City from effectuating and/or participating with the Conditional Redeveloper/Transform/SPE, to secure any available environmental remediation program assistance intended to assist in the satisfaction of the expenses of any environmental remediation necessary to remedy any conditions if discovered on the Sale Properties or adjacent lands; and

BE IT FURTHER RESOLVED the Conditional Redeveloper/Transform/SPE is responsible for conducting its own physical and environmental conditions due diligence and inspections at its own expense and is permitted to immediately conduct a Phase I evaluation at the Sale Properties, and

BE IT FURTHER RESOLVED the time period of the initial 90-day due diligence performance period embodied in Council's Resolution 195 as adopted by the City Council on March 18, 2026, does not formally commence until the date of the City Council's final passage of the RDP after comment consideration by the Atlantic City's Planning Board has been submitted to the City Council; and

BE IT FURTHER RESOLVED the City and Conditional Redeveloper/Transform/SPE will, as a condition of the sale and purchase of the Sale Properties and by separate written agreement negotiated and executed by them at a later date, manage the assessment and payment of all forms of property tax payments which may or may not be payable through the City, including municipal, school and county taxation which is expected to include a negotiated abatement; and

BE IT FURTHER RESOLVED that the Conditional Redeveloper/Transform/SPE has the right, at its own expense, to conduct a survey of the Sale Properties and perform all title searches which could reveal any negative impacts upon title, including but not limited to existing encumbrances, liens, easements, ordinances, and other restrictions of record; and

BE IT FURTHER RESOLVED the title to the Sale Properties must be marketable at time of transfer to the Conditional Redeveloper/Transform/SPE; and

BE IT FURTHER RESOLVED the City has determined the Price is entirely reasonable and acceptable in order to complete redevelopment and improvements which will be approved by the City and/or the State of New Jersey; and

BE IT FURTHER RESOLVED the Conditional Redeveloper/Transform/SPE retain their full right to decline purchase of the Sale Properties and/or any other private owner property in the RDP, with this instance definitely occurring in the event any land use approvals are not granted by any governmental authority, as sought by the Conditional Redeveloper/Transform/SPE and which are necessary for redevelopment and improvement of the Sale Properties or any other properties within the RDP, and

BE IT FURTHER RESOLVED that with relation to the Sale Properties and any property in the RDP, the Conditional Redeveloper/Transform/SPE retains all rights of non-economic and economic due diligence involving all aspects of the Sale Prices and/or any physical, environmental and/or physical conditions involving the Sale Properties; and

BE IT FURTHER RESOLVED that in the event of the contemplated sale and purchase of the Sale Properties, the Conditional Redeveloper/Transform/SPE will only construct uses approved the City of Atlantic City, its Planning Board and/or Zoning and as generally permitted by the RDP and/or amendments made; and

BE IT FURTHER RESOLVED the sale and purchase of the Sale Properties is contingent upon the City and the Conditional Redeveloper/Transform/SPE negotiating and enacting a written redevelopment agreement between themselves in compliance with New Jersey's Redevelopment Law and in compliance with N.J.S.A 40A: 12A-8 and N.J.S.A. 40A:12A-9(a), without exclusion of other statutory requirements; and

BE IT FURTHER RESOLVED the redeveloper agreement will include a mutually agreed time period for the Conditional Redeveloper/Transform/SPE to obtain all required government approvals and entitlements, and commence construction, within five (5) years or less from joint execution of the redeveloper agreement. Any established time period will be cooperatively extended, if necessary, by the City and the Conditional Redeveloper/Transform/SPE where compliance has occurred but reasonable delays have prevented advancement; and

BE IT FURTHER RESOLVED that other than the Conditional Redeveloper/Transform transferring the Sale Properties to an SPE, the Conditional Redeveloper/Transform cannot sell, lease or transfer the Sale Properties to any third-party other than if approved by the City. This does not include a sale and/or transfer of the Sale Properties to a Special Purpose Entity formed by Transform to receive title to the Sale Properties; and

BE IT FURTHER RESOLVED that upon completion of the project contemplated by the redeveloper agreement and issuance of the City's Certificate of Occupancy for each unit constructed by the Conditional Redeveloper/Transform/SPE, any conditions of this Resolution which may be interpreted as being open, shall be deemed satisfied between the City and the Conditional Redeveloper/Transform/SPE; and

BE IT FURTHER RESOLVED that all prior Resolutions and/or portions of same, which are deemed inconsistent with this Resolution, are hereby repealed to the extent of such inconsistencies.
